

Mining Services Features

Months: February, June, September & November

Paydirt Magazine reaches a highly engaged audience due to its uniqueness.

The magazine is a part of Paydirt's stable of offerings and its readers are also conference attendees with gheat ties to Paydirt Media.

Mining sector service providers can reach these Explorers and Operators through a medium they trust.

Mining Services Features provide you a perfect environment to reach this target audience, with the help of strategic editorial coverage by our **award-winning journalists** to get across to key decision makers.

To book your feature, email richa@paydirt.com.au

Every ad placed will receive an equivalent size of editorial exposure or more: Full page ad \$3,760 +gst, half page \$2,730 +gst.
